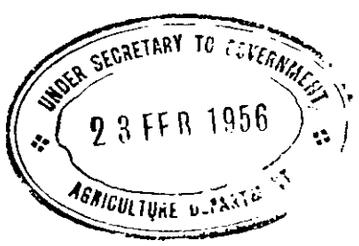
Sir,

Sub: Establishment-Animal Husbandry Department-District Livestock Farm-South Kanara-Clinical Laboratory-Temporary posts-Further continuance of.



Ref: G.O.Ms.No.1400 Agriculture Department dated 23-5-55. (A)

Item 3 cy (B)

Government, in their order cited, were pleased to sanction the opening of ten clinical laboratories in 7 Headquarters Veterinary Hospitals and 3 Livestock Research Stations in the districts, where they exist, of which one was opened at the District Livestock Farm, Koila, formally on 1-10-1955 with the following staff:-

1) One Veterinary Assistant Surgeon on Rs 120-250 p.m.
2) One attender on Rs 24-35 p.m.

The sanction for the temporary posts mentioned above expires on 29-2-56. Due to paucity of technical personnel, no Veterinary Assistant Surgeon could be posted and no tangible work could therefore be done so far. It is also however too early to judge the usefulness of the laboratory as the laboratory should have full equipment and personnel to commence the work according to the programme. Arrangements are however being made to post a suitable Veterinary Assistant Surgeon to the laboratory. A report of work done at the laboratory since its inception will be furnished, when its continuance is applied for next. I therefore request Government to be pleased to sanction the further continuance of the following temporary posts for a period of one year from 1-3-1956.

1) One Veterinary Assistant Surgeon on Rs 120-250 p.m.
2) One Attender on Rs 24-35 p.m.

The expenditure is debitable to the relevant sub-head under "41.Veterinary".

Yours faithfully,

for Director of Animal Husbandry,
Madras.
